# Identity, history and description

Attributions are separate from verified information. The material is not certified.

## Identity

1971 Panama Red / Hippie Cannabis Genetics. The identity described here refers to the combination of name and breeder in the source, not to authentication of a physical sample.

## Description

The breeder dates the original collection to 1971. The account describes a broad, branching sativa with juvenile leaves that narrow as it matures, plus fruit, earth and hash notes. The date is historical attribution, not independent dating. [S1]

## History and origin

1971 provenance according to the breeder. [S1]

## Recorded lineage

Derived from Panama Red (1971) [S1]. Parentage attributed to the source, not independently validated genetics.
