Identity

303 Widow / The Fire Department. The identity described here refers to the combination of name and breeder in the source, not to authentication of a physical sample.

Description

SeedFinder lists The Fire Department's 303 Widow as an indica/sativa hybrid. Its tree summarizes (98 Aloha White Widow × 87 White Widow, Ingemar selection) × Blue Diesel, Colorado selection. The text adds a backcross step not clearly represented in that formula; this difference is preserved without reconstructing an undocumented sequence.
