Provisional artwork A-S1; no human approval

Divine Gelato #3 × Slurricane #44.

Identity, history and description

Attributions are separate from verified information. The material is not certified.

Identity

443 / In House Genetics. The identity described here refers to the combination of name and breeder in the source, not to authentication of a physical sample.

Description

In House Genetics' 443 is identified as a feminized, indica-leaning hybrid between Divine Gelato #3 and Slurricane #44. The reference describes sugared berries, grape, cream and fuel. Divine Gelato's deeper ancestry is marked as probable in the consulted tree, rather than established as independently verified history.

History and origin

The consulted reference does not document the creation date or a specific selection.

Recorded lineage

Divine Gelato #3 × Slurricane #44 [S1]. Parentage attributed to the source, not independently validated genetics.
