Identity, history and description

Attributions are separate from verified information. The material is not certified.

Identity

4th Meal / In-Tents Genetix. The identity described here refers to the combination of name and breeder in the source, not to authentication of a physical sample.

Description

In-Tents Genetix's 4th Meal is described as an F1 from its Season 2 collection, combining Mt. Dew Baja Blast and Alien Wedding, both attributed to Mosca Seeds. The entry specifies regular seeds and a hybrid classification. Food-related aromas are not inferred from the cultivar's name.

History and origin

The consulted reference does not document the creation date or a specific selection.

Recorded lineage

Mt. Dew Baja Blast × Alien Wedding [S1]. Parentage attributed to the source, not independently validated genetics.
