Provisional artwork A-S1; no human approval

Double Burger × Double Burger, by Skunk House Genetics.

Identity, history and description

Attributions are separate from verified information. The material is not certified.

Identity

4x4 / Skunk House Genetics. The identity described here refers to the combination of name and breeder in the source, not to authentication of a physical sample.

Description

Skunk House Genetics' 4x4 is documented as Double Burger crossed with Double Burger, in regular seeds and classified as a hybrid. The reference does not identify the individual selections used or assign a specific filial generation to 4x4. Matching parent names alone do not establish self-pollination.

History and origin

The consulted reference does not document the creation date or a specific selection.

Recorded lineage

Double Burger × Double Burger [S1]. Parentage attributed to the source, not independently validated genetics.
