Identity, history and description

Attributions are separate from verified information. The material is not certified.

Identity

50 Dragons / UKHTA 420. The identity described here refers to the combination of name and breeder in the source, not to authentication of a physical sample.

Description

UKHTA 420's 50 Dragons is listed as feminized and indica-leaning. The prose names Platinum GSC crossed with Strawberry Cough, but the tree shows a Platinum Cookies backcross labeled Bx3. Both contributors are retained without asserting a resolved sequence. The description mentions creamy cookie and fruity notes.

History and origin

The consulted reference does not document the creation date or a specific selection.

Recorded lineage

Contributors: Platinum GSC and Strawberry Cough; backcross unresolved [S1]. Parentage attributed to the source, not independently validated genetics.
