Identity, history and description

Attributions are separate from verified information. The material is not certified.

Identity

501st OG / Rare Dankness Seeds. The identity described here refers to the combination of name and breeder in the source, not to authentication of a physical sample.

Description

Rare Dankness Seeds' 501st OG is described as an indica-leaning hybrid in regular seeds. The prose abbreviates Skywalker, while the tree identifies Skywalker OG and Rare Dankness #1. The breeder mentions sweet Kush character, stocky structure and possible purple tones, without guaranteeing those traits in every specimen.

History and origin

The consulted reference does not document the creation date or a specific selection.

Recorded lineage

Skywalker OG × Rare Dankness #1 [S1]. Parentage attributed to the source, not independently validated genetics.
