Sour Diesel cross with an unidentified second parent.

Identity, history and description

Attributions are separate from verified information. The material is not certified.

Identity

517 Cronic / Pure Michigan Genetics. The identity described here refers to the combination of name and breeder in the source, not to authentication of a physical sample.

Description

Pure Michigan Genetics' 517 Cronic is presented as a regular, sativa-leaning hybrid arising during development of 517 Diesel. The reference confirms Sour Diesel contribution but does not identify the other parent and marks the tree probable. Its historical limited-edition description does not establish present availability.

History and origin

The consulted reference does not document the creation date or a specific selection.

Recorded lineage

Sour Diesel × unidentified parent; probable [S1]. Parentage attributed to the source, not independently validated genetics.
