Attributions are separate from verified information. The material is not certified.

Identity

561 Runtz / Cajun Style Genetics LLC. The identity described here refers to the combination of name and breeder in the source, not to authentication of a physical sample.

Description

The reference associates Rainbow Butter Runtz, 8 Mile Runtz and White Runtz with this regular-seed variety. However, the prose repeats 8 Mile Runtz where the tree shows a shorter crossing sequence. This discrepancy is retained without establishing a definitive sequence.

History and origin
