No terpene analysis of an identified sample is available. Reported aromatic notes do not establish compounds or percentages.

Documentary scope

Varietal identity and history record. It contains no production instructions or consumption recommendations.

Documentary record

Catalogue record; it does not establish stock, specimen provenance or commercial availability.
Catálogo!row:480.

SEO, DankAdvice and sources

Proposed SEO

Acai Sherb | Hi Holy High

Documented identity, history and lineage: Nugs 420.

DankAdvice

A name provides a clue; traceability establishes identity. Keep breeder, ancestry and provenance together without filling gaps with assumptions.

Notices

Conceptual illustrations, not photographs of an authenticated specimen. Informational document for adults, without medical claims or potency guarantees. Unpublished.
