Identity, history and description

Attributions are separate from verified information. The material is not certified.

Identity

Al Capone / Lupos CannaSeed. The identity described here refers to the combination of name and breeder in the source, not to authentication of a physical sample.

Description

Al Capone is an entry attributed to Lupos CannaSeed. Sativa-dominant hybrid. Mob Boss × Bacon. [S1]

No specific aromatic notes are documented for this entry.

History and origin
