Identity, history and description

Attributions are separate from verified information. The material is not certified.

Identity

Alfred Packer / Rare Dankness Seeds. The identity described here refers to the combination of name and breeder in the source, not to authentication of a physical sample.

Description

Alfred Packer is recorded under Rare Dankness Seeds. Rare Dankness identifies Alfred Packer as Albert Walker crossed with Afghani #1 IBL. The brief description supports that parentage and indica dominance, but not an individual aroma or detailed selection history. [S1]
