History and origin

Unleashed Genetics describes earlier work with The Force, linked to Jedi Kush and Alien Kush, and an Alien Kush expression from a breeder friend. That selection is then combined with Blackhead Burnt Cookie F3. The account concerned a line in testing and does not justify treating the intermediate selection as a separate pure Alien Kush parent. [S1]

Recorded lineage

Partial ancestry: The Force selection × Blackhead Burnt Cookie F3 [S1]. Parentage attributed to the source, not independently validated genetics.
