

# HI HOLY HIGH

## Alien Mints

AlienLabs

BLOCK 010 / 100 - REVIEW PENDING

Provisional artwork A-S1; no human approval

Alien Mints belongs to the catalogue of AlienLabs. Indica/sativa hybrid. [S1]

# Identity, history and description

Attributions are separate from verified information. The material is not certified.

## Identity

Alien Mints / AlienLabs. The identity described here refers to the combination of name and breeder in the source, not to authentication of a physical sample.

## Description

The reference attributes Alien Mints to a collaboration between AlienLabs and Seed Junky Genetics. It describes an Animal Mints backcross, while its tree simplifies the link to Animal Mints × Animal Mints; a more precise scheme is not established. This identity should not be confused with versions from other breeders. Dense flowers and earth, mint and dark-chocolate notes are reported. [S1]

## History and origin

Alien Mints belongs to the catalogue of AlienLabs. The reference attributes Alien Mints to a collaboration between AlienLabs and Seed Junky Genetics. It describes an Animal Mints backcross, while its tree simplifies the link to Animal Mints × Animal Mints; a more precise scheme is not established. This identity should not be confused with versions from other breeders. Dense flowers and earth, mint and dark-chocolate notes are reported. [S1]

## Recorded lineage

Animal Mints backcross; exact scheme unresolved [S1]. Parentage attributed to the source, not independently validated genetics.

## Technical record and evidence

| Field               | Current record                                  |
|---------------------|-------------------------------------------------|
| Name                | Alien Mints                                     |
| Breeder / seed bank | AlienLabs                                       |
| Recorded type       | Indica/sativa hybrid                            |
| Lineage             | Animal Mints backcross; exact scheme unresolved |
| Cut                 | Not documented                                  |
| THC / CBD           | Not documented                                  |
| Terpenes            | Not documented                                  |
| HHH sample          | Not supplied                                    |

### Evidence review

Catalogue attributions and breeder statements are not laboratory findings. No identified HHH specimen or analytical certificate linked to it has been supplied.

### Recorded lineage

# Sensory profile and documentation

## Sensory profile

The source describes notes of earth, mint, dark chocolate. [S1]

## Terpenes

No terpene analysis of an identified sample is available. Reported aromatic notes do not establish compounds or percentages.

## Documentary scope

Varietal identity and history record. It contains no production instructions or consumption recommendations.

## Documentary record

Catalogue record; it does not establish stock, specimen provenance or commercial availability.  
Catálogo!row:1132.

# SEO, DankAdvice and sources

## Proposed SEO

Alien Mints | Hi Holy High

Documented identity, history and lineage: AlienLabs.

## DankAdvice

*A name provides a clue; traceability establishes identity. Keep breeder, ancestry and provenance together without filling gaps with assumptions.*

## Notices

Conceptual illustrations, not photographs of an authenticated specimen. Informational document for adults, without medical claims or potency guarantees. Unpublished.
