Provisional artwork A-S1; no human approval

Alienz Auto belongs to the catalogue of Green House Seeds. Autoflowering hybrid. [S1]

Identity, history and description

Attributions are separate from verified information. The material is not certified.

Identity

Alienz Auto / Green House Seeds. The identity described here refers to the combination of name and breeder in the source, not to authentication of a physical sample.

Description

Green House Seeds describes Alienz Auto as Alienz crossed with an autoflowering Watermelon line. The tree does not identify the automatic branch more precisely, so that limitation is retained. The description combines lemon acidity, earth and sweetness with a conical structure and long strong secondary branches. [S1]
