Provisional artwork A-S1; no human approval

Alpha King belongs to the catalogue of Christiania Seedbank. Sativa-dominant autoflower. [S1]

Identity, history and description

Attributions are separate from verified information. The material is not certified.

Identity

Alpha King / Christiania Seedbank. The identity described here refers to the combination of name and breeder in the source, not to authentication of a physical sample.

Description

Christiania Seedbank presents Alpha King as a sativa selection of AK47 crossed with Lowryder. The description notes a relatively tall form and small, resin-covered flowers. The reference gives no entry-specific aromatic notes, so none are inferred from the parents or the name. [S1]
