Identity, history and description

Attributions are separate from verified information. The material is not certified.

Identity

Amnesia Flash / Anesia Seeds. The identity described here refers to the combination of name and breeder in the source, not to authentication of a physical sample.

Description

Anesia describes Amnesia Flash as a combination of Dutch lines without identifying all parents. SeedFinder proposes Amnesia x an unknown cultivar and marks the combination as probable. The description distinguishes bushy structure, short internodes and floral notes with a sharp spicy accent. [S1]
