Identity, history and description

Attributions are separate from verified information. The material is not certified.

Identity

Amnesia Haze / 710 Genetics. The identity described here refers to the combination of name and breeder in the source, not to authentication of a physical sample.

Description

710 Genetics presents its Amnesia Haze as Amnesia Haze x Amnesia Haze without identifying the parental selections. The entry emphasizes fruity character and tall stature. Its flowering times conflict, so no fixed figure is given and awards belonging to other versions are not transferred. [S1]
