Identity, history and description

Attributions are separate from verified information. The material is not certified.

Identity

Amnesia Hot / La Semilla Automática. The identity described here refers to the combination of name and breeder in the source, not to authentication of a physical sample.

Description

La Semilla Automática gives Northern Ligts x Amensia, retaining the source spelling here. The heading classifies it as mostly indica but the table says 70% sativa. The entry does not document autoflowering status: the bank's name alone does not establish it. [S1]
