Identity, history and description

Attributions are separate from verified information. The material is not certified.

Identity

Amnesia Lemon Autoregolar / Annibale Genetics. The identity described here refers to the combination of name and breeder in the source, not to authentication of a physical sample.

Description

Annibale Genetics presents Amnesia Lemon Autoregolar as a regular automatic edition. The tree proposes an Amnesia and Lemon Skunk base with ruderalis, crossed again with Fast Auto; several components are marked probable. This regular edition is not conflated with another bank's feminized version. [S1]
