Provisional artwork A-S1; no human approval

Amnesia Mistery belongs to the catalogue of Positronics. Feminized line described as sativa. [S1]

Identity, history and description

Attributions are separate from verified information. The material is not certified.

Identity

Amnesia Mistery / Positronics. The identity described here refers to the combination of name and breeder in the source, not to authentication of a physical sample.

Description

Positronics describes an Amnesia selection crossed with a Californian male whose identity is undisclosed. The tree calls the first parent Amnesia Haze. The source distinguishes pine and menthol before drying from spice, coffee, licorice and incense afterward; the hidden parent is not invented. [S1]
