Identity, history and description

Attributions are separate from verified information. The material is not certified.

Identity

Annapurna / Flash Seeds. Name and breeder retained from the supplied catalogue; they do not authenticate a physical sample.

Description

Annapurna belongs to Flash's SuperAuto line. The reference places it among hybrids with indica, sativa and Ruderalis ancestry but does not identify specific parents. Its profile is described as sweet and menthol-like. The family name alone does not establish a more precise pedigree. [S1]
