Identity, history and description

Attributions are separate from verified information. The material is not certified.

Identity

Annette's Honey Cocktail / Kickflip Genetics. The identity described here refers to the combination of name and breeder in the source, not to authentication of a physical sample.

Description

Annette's Honey Cocktail is a Kickflip line combining Sauvignon Blanc and Honey Bunz. Their order differs between the text and tree, so parental sexes are not assigned here. The source suggests possible sweet nuances without establishing a uniform sensory profile. [S1]
