Identity

Anslinger's Demise / Kineos Genetics. The identity described here refers to the combination of name and breeder in the source, not to authentication of a physical sample.

Description

Kineos's Anslinger's Demise combines an Amnesia Haze, 9lb Hammer and Bruce Banner branch with another contribution from 9lb Hammer. The tree therefore documents a backcross. The narrative links the program to a fuel-like aromatic target without making that target a uniform guarantee. [S1]
