Identity, history and description

Attributions are separate from verified information. The material is not certified.

Identity

Auto Blueberry 420 / The Bulldog Seeds. The identity described here refers to the combination of name and breeder in the source, not to authentication of a physical sample.

Description

The Bulldog Seeds places Auto Blueberry 420 in a combination of Blueberry, Canadian ruderalis and Light of Jah. The text describes Light of Jah as Jack Herer × Afghani while the tree abbreviates that component; its name is retained without certifying deeper ancestry. The entry mentions sweet fruit character. [S1]
