Identity, history and description

Attributions are separate from verified information. The material is not certified.

Identity

Auto Bride Cake / G13 Labs. The identity described here refers to the combination of name and breeder in the source, not to authentication of a physical sample.

Description

G13 Labs attributes Auto Bride Cake to a Triangle Kush × Animal Mints base with a ruderalis contribution. Its description combines floral, fruit and wood notes with lime and vanilla nuances. That parental combination does not authenticate a particular cut. [S1]
