Identity, history and description

Attributions are separate from verified information. The material is not certified.

Identity

Auto Creeper / Super Sativa Seed Club. The identity described here refers to the combination of name and breeder in the source, not to authentication of a physical sample.

Description

Dutch Passion's page presents Auto Creeper under Super Sativa Seed Club. It describes introducing an automatic Williams Wonder to Creeper and several years of backcrossing toward Creeper. Elongated dense flowers and occasional purple expressions are catalogue descriptions, not claims about a photographed specimen. [S2]
