Identity, history and description

Attributions are separate from verified information. The material is not certified.

Identity

Auto Dutch / Dutch Quality Seeds. The identity described here refers to the combination of name and breeder in the source, not to authentication of a physical sample.

Description

Dutch Quality Seeds describes Auto Dutch as a selection of a Lowryder #2 phenotype. The text emphasizes a compact main stem and side branches with smaller dense flowers. A sweet character is documented without turning the selection into a new cross with invented parents. [S1]
