Identity, history and description

Attributions are separate from verified information. The material is not certified.

Identity

Auto Fire OG / Dank Genetics. The identity described here refers to the combination of name and breeder in the source, not to authentication of a physical sample.

Description

Dank Genetics' entry attributes Auto Fire OG to Alien Grenades and Star Fighter OG. Coffee, lemon and earthy Kush notes appear in the description. Although Auto is part of the name, the entry identifies no automatic donor and does not on its own establish autoflowering behaviour. [S1]
