Auto Orange Bud belongs to the catalogue of Dutch Passion. Sativa-dominant autoflowering hybrid. [S1]

Identity, history and description

Attributions are separate from verified information. The material is not certified.

Identity

Auto Orange Bud / Dutch Passion. The identity described here refers to the combination of name and breeder in the source, not to authentication of a physical sample.

Description

Dutch Passion describes a programme lasting over three years for Auto Orange Bud, starting with an Orange Bud mother and an Auto Daiquiri Lime male. Twelve generations of selection sought to retain Orange Bud's character. This breeding history does not authenticate every specimen as equivalent to the original mother. [S1]
