Identity, history and description

Attributions are separate from verified information. The material is not certified.

Identity

Auto Original #2 / JustFeminized.com. The identity described here refers to the combination of name and breeder in the source, not to authentication of a physical sample.

Description

JustFeminized.com presents Auto Original #2 as a development of the Lowryder family, with short stature, compact flowers and a sweet smell. SeedFinder proposes Santa Maria x Lowryder #2, but the prose does not explain that formula. It remains probable ancestry; the number is not proof of a generation. [S1]
