Identity, history and description

Attributions are separate from verified information. The material is not certified.

Identity

Azura Haze / Crop King Seeds. The identity described here refers to the combination of name and breeder in the source, not to authentication of a physical sample.

Description

Crop King Seeds lists Azura Haze as a Blueberry and Lemon Haze cross. Its description places the flavor between earthy and sweet. The genealogy suggests Super Lemon Haze as a probable identification of the Haze parent; that more specific attribution remains unconfirmed. [S1]
