Identity

B-45 / Silent Seeds. The identity described here refers to the combination of name and breeder in the source, not to authentication of a physical sample.

Description

B-45 is a Silent Seeds creation developed in collaboration with the artist Booba. Its published pedigree first combines Florida OG with Pre'98 Bubba Kush, then crosses that combination with Orange Punch #66. The official entry describes a feminized, indica-dominant hybrid. Its sensory account brings together citrus and creamy notes with earthy and floral undertones; these are catalogue attributions, not results from a tested specimen. The consulted sources do not clarify the ancestry of Orange Punch #66, so that part of the family tree remains unresolved. [S1, S2]
