Provisional artwork A-S1; no human approval

Bad for Business belongs to the catalogue of Yetis Pheno. Indica-type line. [S1]

Identity, history and description

Attributions are separate from verified information. The material is not certified.

Identity

Bad for Business / Yetis Pheno. The identity described here refers to the combination of name and breeder in the source, not to authentication of a physical sample.

Description

Yetis Pheno records Bad for Business as Pure Michigan crossed with MAC. The entry identifies a clone but adds F2 in the tree without explaining the label. The stated cross is retained and generation remains open; it is not automatically equated with the separate Bad for Business F2 entry. [S1]
