Identity, history and description

Attributions are separate from verified information. The material is not certified.

Identity

Banner's New Profession / GibbsKutz Genetics. The identity described here refers to the combination of name and breeder in the source, not to authentication of a physical sample.

Description

SeedFinder records Banner's New Profession under GibbsKutz Genetics and reproduces the cross Ice Cream Man F2 x Bruce Banner. F2 describes the Ice Cream Man parent, not a demonstrated generation of this offspring. The tree develops that branch as Jet Fuel Gelato x Legend Orange Apricot #23 and Bruce Banner as OG Kush x Strawberry Diesel. These are catalogue-attributed relationships, not independent genetic verification. No creation date, indica/sativa dominance or variety-specific aromas are documented; parental names do not establish flavours. [S1]
