Black Tuna Seeds × Always Be Flowering

Scorpion Venom × Tropicanna Punch #61

Grape Venom by Black Tuna Seeds × Always Be Flowering is documented with lineage Scorpion Venom × Tropicanna Punch #61.

Description

Grape Venom es una colaboración de Black Tuna Seeds y Always Be Flowering que cruza Scorpion Venom con Tropicanna Punch #61 para un perfil de uva dulce y ácida con bayas, cítrico y especia. The record separates external attribution from HHH sensory interpretation and does not treat published potency or terpene figures as HHH lab data.
